01 PROFILE

I am a Self-Experienced Web-developer, adept at bringing forth expertise in the design, installation, testing, and maintenance of Web-application. Proficient in an assortment of technologies, including JavaScript, NodeJs, React, React Native, Swift IOS, and MongoDB Atlas Server. Knowledgeable in the user interface, testing, and debugging processes. Self-motivated & problem-solving capability. I believe empathy is a key factor in emotional intelligence which makes it an important skill in any workplace.
